

**Measure of America & National League of Cities Institute for Youth, Education, and Families**

Joint Webinar: **Moving the Needle on Youth Disconnection: Insights from Measure of America's New Report: ["Promising Gains, Persistent Gaps: Youth Disconnection in America"](#)**

Mar 30, 2017 1:00 – 2:00PM EDT

Join our expert panel: Sarah Burd-Sharps & Kristen Lewis, MOA Co-Directors and Andrew Moore, National League of Cities Institute for Youth, Education, and Families Director of Youth and Young Adult Connections for an interactive discussion on the story behind the data, strategies for reengaging youth, and participant Q & A. During the webinar, Measure of America will also highlight its new interactive tool with disconnected youth congressional district data.

Please register via: <https://attendee.gotowebinar.com/register/3833965541089812739>  
After completing registration, you will receive a confirmation email containing instructions to join the webinar.

MOA and the NLC YEF Institute appreciate having multiple co-presenters for the webinar -- champions in the field that speak up consistently for disconnected youth, several of which also provide systematic approaches to addressing youth disconnection. Champions and webinar co-presenters include:

Annie E. Casey Foundation \* Center for Law and Social Policy (CLASP) \* Conservation Legacy - Ancestral Lands \* Forum for Youth Investment \* Gateway to College National Network \* Kentucky Department of Education, Division of Student Success, Office of Continuous Improvement and Support \* National Youth Employment Coalition \* Oregon Youth Development Council \* Reaching At Promise Students Association \* SIATech \* Youth Transition Funders Group \* Zero Dropouts
