

## 2024 African Peacebuilding Network and Next Generation Fellowship Call For Applications

Photos by Brvh\_Kwame Photography & Hanane Chenayti

### 2024 Next Generation Social Sciences in Africa Fellowships

#### **Doctoral Dissertation Completion Fellowship**

*Maximum of 12 awards per year*

The award is for doctoral students to take a one-year leave to focus on data analysis and scholarly writing to complete their doctoral dissertations and meet their degree requirements. Fellowship awards are up to \$10,000.

#### **Doctoral Dissertation Proposal Fellowship**

*Maximum of 10 awards per year*

The award is for doctoral students developing their dissertation proposal, supporting costs related to pre-fieldwork surveys, literature review, and dissertation proposal writing over six months. Fellowship awards are up to \$3,000.

#### **Doctoral Dissertation Research Fellowship**

*Maximum of 14 awards per year*

The award supports doctoral students carrying out fieldwork, collecting and analyzing data, and working on their literature review and dissertation writing. Fellowship awards are up to \$15,000.

### 2024 African Peacebuilding Network Fellowships

#### **APN Individual Research Fellowship (IRF)**

*Maximum of 17 awards per year*

The APN IRF award supports up to six months of field-based research that contributes to knowledge production and policies shaping peacebuilding in Africa. Fellowship awards are up to \$15,000.

#### **APN Collaborative Working Group Research Fellowship (CWG)**

*Maximum of 1 award over two years*

The CWG award supports teams of African academics, and researchers led by a full professor based at African universities to assemble and lead collaborative research projects intended to produce knowledge and to inform policy and practice on conflict and peacebuilding on the continent. Fellowship awards are up to \$60,000.

#### **APN Research Policy Fellowship (RPF)**

*Maximum of 1 award per year*

APN Research Policy Fellowship (RPF) supports a former APN IRF Fellow (who received awards no earlier than June 2019) for up to six months of field-based research to conduct research and analysis on a specific policy area and gain firsthand knowledge and experience of the activities and operations of policy/practitioner organizations. Fellowship awards are up to \$12,000.

**Application Deadline: February 11, 2024**
